The New Zealand Mining Equipment Technology and Services (METS) Industry: Representation, Recognition and Export **Seminar**

1.00 pm - 4.30 pm
Owen G. Glenn Centre
The University of Auckland
Auckland, New Zealand

AustmineNZ Launch **Function**

5.30 pm - 7.30 pm
Minter Ellison Rudd Watts
Lumley Centre
88 Shortland Street
Auckland, New Zealand

The rise of the Minerals industry in Australia and New Zealand has seen growth of the Mining Equipment Technology and Services (METS) sector in recent years. This has been increasingly recognised by industry and governments in Australia and has led to the prominence of METS export.

This seminar aims to establish AustmineNZ - a New Zealand associate of Austmine and bring into prominence the extent of METS activity in New Zealand. Speakers will be from the Organisers and METS companies active in New Zealand and overseas.

Save the date, Tuesday 23 November 2010, and register your interest now!
